

Appl. No. : 09/875,401
Filed : June 5, 2001

REMARKS

In the Office Action mailed August 30, 2005, the Examiner has rejected Claims 1-3 and 5-9 under the judicially created doctrine of obviousness-type double patenting. Claims 1-3 and 5-9 have been rejected over claims 1-10 of U.S. Patent No. 6,680,792 in view of U.S. Patent App. No. 2002/0186209 to Cok.

In the Office Action, the Examiner indicated that a timely filed terminal disclaimer would overcome the nonstatutory double patenting rejection of the pending claims. Application hereby submits a terminal disclaimer with respect to U.S. Patent No. 6,680,792, which is commonly owned with the present application.

Applicant respectfully submits that the submission of the terminal disclaimer places each of Claims 1-3 and 5-9 in condition for allowance, and requests the withdrawal of all pending rejections and the allowance of Claims 1-3 and 5-9.

Please charge any additional fees, including any fees for additional extension of time, or credit overpayment to Deposit Account No. 11-1410.

Respectfully submitted,

KNOBBE, MARTENS, OLSON & BEAR, LLP
